**Compare the Energy Efficiency of this  
Air Conditioner with Others Before You Buy.**

**SEER, the Seasonal Energy Efficiency Ratio,** is a measure of energy efficiency for central air conditioners.

**Central air conditioners with higher SEERs are more energy efficient.**

- This energy rating is based on U.S. Government standard tests of this condenser model combined with the most common coil. The rating may vary slightly with different coils.
- Federal law requires the seller or installer of this appliance to make available a fact sheet or directory giving further information about the efficiency and operating cost of this equipment. Ask for this information.
